### TERMS AND CONDITIONS

**PRICES.** Prices are net f.o.b. Mobile, Alabama. Prices in this list cancel all previous lists and quotations and are subject to change without notice.

**TERMS OF PAYMENT.** Cash with order for immediate shipment. Usual terms to those who have established credit with us. C.O.D. orders accepted with 25% deposit.

**PACKING CHARGES.** No packing charges for shipment of bare-rooted stock, bare-rooted and potted lining out stock. Where crating or boxing of canned stock and B&B stock is required for shipment by commercial carriers, charges will be made for the actual cost of labor and materials.

**TRANSPORTATION.** Please specify how shipment is to be made—by parcel post, railway express or freight and delivering carrier. For parcel post shipments please remit sufficient amount to cover postage. All shipments travel at customers risk and expense.

**LIABILITY.** Any claims must be made immediately upon receipt of shipment and we shall gladly rectify any mistake made by us, but in no instance will our liability be more than the purchase price. We give no guarantee of growth or productivity of the stock sold.

All orders are accepted on condition that they be void should damage or injury befall the stock from causes beyond our control.

# CAMELLIA JAPONICA

## A NEW OUTSTANDING CAMELLIA SAWADA'S DREAM

A cross pollination of the varieties Imura and Dr. W. G. Lee. Full double, imbricated — 80 to 90 petals — four inches in diameter. Blooms from December to February. Color is white with the outer one-third of the petals shaded very delicate flesh pink.

Beside its distinctive coloring this variety is outstanding for the superior holding qualities of the bloom on the branch or when cut.

Gallon can graft .....	\$15.00
2 gallon can graft .....	25.00
Egg can graft .....	50.00

**MRS. D. W. DAVIS . . .** An outstanding new variety originated by D. W. Davis of Seffner, Florida. Blooms are blush pink, of extremely large size.

Gallon graft .....	\$5.00
